Date.....12-9-2008

The issue is regarding issuance of Eligibility Slips to Residents Welfare Societies of unauthorized colonies in cases where two or more applications have been received against one registration number.

Number of representatives of RWA's of unauthorized colonies have met me regarding non-issuance of Eligibility Slips to them by the Urban Development Department on ground that two or more applications have been received against one registration number.

In all these cases, the Urban Development Department should verify the genuineness of the RWA, who had earlier submitted the site plan as per advertisement released by the Urban Development Department in the year 2004-05, and who had subsequently submitted a detailed lay out plan as per the latest advertisement of Urban Development Department in the year 2007-08. If the aforesaid factors meet with the requirements of UD Department, the concerned RWA should be issued Eligibility Slip.

In the remaining cases, the genuineness of the other Residents Societies and the existence of the colonies may be separately examined by the UD Department as per policy on which a view would be taken separately.

These cases may be disposed off within a weeks time.
