near future for taking up these works or if there is any apprehension of the obstruction from Hon'ble Supreme Court then the proposal of the Residents' Welfare Association may be considered after examining the various aspects legally and as per policy of the DDA in this regard.

Court as per the latest information given by the office of Dy. Director (NL). // The peripheral S.W. Drain of Sector 28 has already been constructed, the discharge of which is to go through this proposed outfall drain for which the land could not be made available so far. As a result this area is completely water logged during the rainy season and the peripheral and internal roads constructed are damaged frequently due to water logging. Similarly the plots in Sector 27, 28, 29 & 30 have already been handed over to the allottees and the construction of peripheral drain is to start in these Sectors in near future. But all these drains being constructed shall be of no use till the land for outfall drain is made available. As per previous experiences it has been observed that the settlement of such issues from the court either take lot of time or sometime the decision of the court goes against the department and under that situation there is no other option with the department for disposal of the rain water from the area and the situation may be quite complicated.

Recently this office has received a proposal from Residents' Welfare Association, Prahlad Vihar that they are willing to give an undertaking/affidavit for surrendering the area required for the passage of the required services through a particular route suggested by them, the copy of the letter duly signed by President & Secretary, Residents' Welfare Association, Prahlad Vihar alongwith the layout plan showing the proposed route is enclosed herewith for ready reference. This proposal of the Residents' Welfare Association needs to be examined by your branch in view of the pending court case before the Hon'ble Supreme Court. If required, the opinion of the Legal Cell may also be taken on the subject. This office is of the opinion that either it may be assured that the land under stay shall be acquired and handed over to Engineering Wing in

Report of the Joint Survey Team on

Prehlad Vihar (Prehlad Vihar Residents' Welfare Association)

Secretary (UAE) vide letter no. SECY/UAE/PV/D/99 dated 15<sup>th</sup> February, 1999 constituted a Joint Survey Team comprising of Shri D.S. Meshram, Chief Planner, TCPO and Shri Shamim Ahmed, Director (LM), Hq. DDA for conducting survey to ascertain the details of the site which is in the possession of Prehlad Vihar Residents' Welfare Association and the structures which are inhabited / not-inhabited and other relevant information. The responsibility of co-ordination of the Survey Team was assigned to Shri A. Ramaswamy, Principal Commissioner, DDA.

During the preliminary discussions held on 18-02-99 in the chamber of Shri Ramaswamy, Principal Commissioner, DDA, it was observed that detailed plan of the area showing roads / plot boundaries / existing structures, etc., is not available with DDA. Therefore, basework was done on the map received from the Prehlad Vihar Residents' Welfare Association.

The members of the Joint Survey Team alongwith surveyors / revenue staff / officers and staff of the DDA and TCPO surveyed the area on 19<sup>th</sup> (Saturday) and 20<sup>th</sup> (Sunday) February 1999. After the survey, information collected was incorporated on the map and the team visited the site again on 24-02-99 to ascertain actual position on the ground. The existing information / details were reconciled and incorporated on the map. On the basis of the khasra boundaries made available by Shri Shamim Ahmed, Director (LM), Hq. DDA, the boundary of the area was also marked on the map and accordingly the area works out to 113.27 acres (refer map).

With reference to the plot boundaries shown on the map by the Association, it was observed that in some plots only boundary walls exist, while in some of the plots one room structure exists (with roof or without roof). The boundary walls existing on the site are not only for single plot but also cover group of plots in some cases. Most of the plots inhabited are small sized. There are also some large sized inhabited plots but they are scattered and located sparsely (refer map). Thickly inhabited contiguous pocket is shown on the map in orange colour which indicates that major development has taken place in the north-eastern and central part of the colony.

**Report of the Joint Survey Team on  
Prehlad Vihar (Prehlad Vihar Residents' Welfare Association)**

Secretary (UAE) vide letter no. SECY/UAE/PV/D/99 dated 15<sup>th</sup> February, 1999 constituted a Joint Survey Team comprising of Shri D.S. Meshram, Chief Planner, TCPO and Shri Shamim Ahmed, Director (LM), Hq. DDA for conducting survey to ascertain the details of the site which is in the possession of Prehlad Vihar Residents' Welfare Association and the structures which are inhabited / not-habited and other relevant information. The responsibility of co-ordination of the Survey Team was assigned to Shri A. Ramaswamy, Principal Commissioner, DDA.

During the preliminary discussions held on 18-02-99 in the chamber of Shri Ramaswamy, Principal Commissioner, DDA, it was observed that detailed plan of the area showing roads / plot boundaries / existing structures, etc. is not available with DDA. Therefore, basework was done on the map received from the Prehlad Vihar Residents Welfare Association.

The members of the Joint Survey Team alongwith surveyors / revenue staff / officers and staff of the DDA and TCPO surveyed the area on 19<sup>th</sup> (Saturday) and 20<sup>th</sup> (Sunday) February 1999. After the survey, information collected was incorporated on the map and the team visited the site again on 24-02-99 to ascertain actual position on the ground. The existing information / details were reconciled and incorporated on the map. On the basis of the khasra boundaries made available by Shri Shamim Ahmed, Director (LM), Hq. DDA, the boundary of the area was also marked on the map and accordingly the area works out to 113.27 acres (refer map).

With reference to the plot boundaries shown on the map by the Association, it was observed that in some plots only boundary walls exist, while in some of the plots one room structure exists (with roof or without roof). The boundary walls existing on the site are not only for single plot but also cover group of plots in some cases. Most of the plots inhabited are small sized. There are also some large sized inhabited plots but they are scattered and located sparsely (refer map). Thickly inhabited contiguous pocket is shown on the map in orange colour which indicates that major development has taken place in the north-eastern and central part of the colony.

Sub:- Regarding unauthorised colony named Prehlad Vihar, Delhi-42.

A meeting was convened by the Hon'ble Minister of Urban Development, GNCTD in his Chamber on 24.7.2000 to discuss about the status of the unauthorised colony named- Prehlad Vihar. The area MLA, Sh. Ramesh Kumar alongwith the representative of the colony attended the meeting. Certain records in respect of submission of layout plan and other documents related to this colony, as submitted by the Association, way back in 1993, were brought by the representatives of the Association to suggest about the existence of their colony which were seen by all during the course of discussion.

The records of the Town Planning Office was also checked and it was observed that the file relating to this colony was earlier handed over to DDA alongwith the total bulk of 485 files related to unauthorised colonies falling ~~in~~ in the Development area of DDA. These files were submitted to MCD by the residents welfare association in response to the policy of the Delhi Govt. asking the representatives to submit layout plans of unauthorised colony in September, 1994. The DDA is believe to have handed over all these files to the Urban Development Department. Since the said files is not now available with MCD and also that this colony falls in Development Area of DDA, further necessary action in the matter may kindly be taken up accordingly.

Sub:- Request for regularisation/ Provision of Basic  
amenities ie Electrification/ Water supply/ Drange etc.

Respected Sir,

The residents of the above mentioned colony humbly  
request to your good self for the regularisation/provision of  
the above said colony.

The Brief History of the case is as under:-

1. In response to the announcement of policy decision regarding  
the regularisation of unauthorized colonies by the M.C.D in 1977  
inviting requests for the regularisation of individual colonies.  
We had submitted requests for the same ie. regularisation of the  
above referred colony known as PRAHLAD VIHAR along with the  
request we had submitted all the required information, survey  
plans etc., and the proposal for regularisation to M.C.D.  
But to our surprise we did not get any response in the matter.  
Whereas other colonies were declared as regularisation, but  
we were left without this privilege.

Respected Sir, our colony is very old one. It was established  
about 15 to 16 years back and is inhabited by poor and average  
families, with the un healthy atmosphere in Punjab and J & K  
many families from these states have also been settled here.

Now the position is that we from our meager resources have  
provided the very basic needs of in area so that residents  
could be able to live there in their houses respectfully.  
However most of the population belonging to the lower strata  
of society and what so ever is done for the welfare of the  
colony has been done of own.

2. Long time back a policy decision for the provision of basic  
amenities such as Electrification/ Water supply/ Drange was  
taken in such colonies. It is under stood that according to im-  
plementation of such a policy a few hundred such unauthorized  
colonies have been given N.O.C with respect to basic amenities.  
This being social justice for the poor and down ridden  
in habitants of such colonies and should therefore be highly  
appreciated. Therefore, we also request that till the time the  
colony is declared as regularised/ approved the residence--
