Sir,

We have submitted site plan and other documents against registration no.1182 in 2004-05. Again in 2007, we submitted detailed layout plan and other documents which were required by your good self. While representing ourselves during the regularization camp from 08/08/2008 to 14/08/2008 organized by Department of Urban Development to issue provisional certificates we came to know that some other person also has submitted his plan under our regularization no. 1182.

Their land is not covered under our colony and his land was also not included in the layout plan submitted by us in 2005. His land is also not attached to our colony.

In the spirit of justice it is requested that kindly consider our colony / plans and documents submitted at different stages as demanded by Department of Urban Development under the registration no. 1182 (Abul Fazal Enclave, Part – II, Block G & H).

We shall be grateful if you kindly issue us the provisional certificate for our colony Abul Fazal Enclave, Part – II, Block G & H, registration no.1182
