Sub:- Electrification of Bhagirathi Nagar
(un-electrified area), Delhi 14

Dear Sir,

Please refer to your request for electrification of the colony/area, cited above. In this connection, it is informed that our planning Deptt. has framed the estimates for the subject colony and it has been decided to recover the development charges @ Rs. 12/- per sq.yd. (excluding street lighting) of the plotted area from the prospective consumers while giving electric connection.

The work of electrification will, however, be taken up in hand only after the 25% of the plot holders have deposited development charges at our District Office. Yamuna Nagar These development charges are adjustable at the time of granting individual electric connection. From those, who have not paid development charges initially, the same are recoverable when they apply for new electric connection.

You are therefore, requested to give wide publicity among the residents of the colony to fulfil above requirements for getting new connection.

It may be noted that only those plot holders are eligible for electric connection which fall within the boundary of the scheme for electrification. DESU is not bound to give electric connection to residents whose plot fall outside the regularised/certified lay-out plan.

Yours Faithfully,
