**Subject:-Development of Streets in Part of B-Block of Gharoli
Extension (Rajbir Colony), Delhi-96.**

Sir,

It is come to our notice that recently Development Department, NCT of Delhi has been sanctioned Rs.8.00 lakhs for development of roads (RCC Roads) and drainage system in some parts of B-Block of Gharoli Ext. (Rajbir Colony), Delhi-96 against an estimated cost of Rs.16.20 lakhs submitted by the Department of Irrigation and Flood Control, Division-III, Shahdara Block, Shastri Park, Delhi. It may be mentioned that some parts of the designated area is still undeveloped due to shortage of funds/non-sanction of full proposed amount. The drainage system of that area is become very bad as there is water logging and create health hazard for the persons living there.

It therefore, requested that required amount to complete the developmental works in the remaining port of B-Block of Gharoli Ext. (Rajbir Colony), Delhi-96 may kindly sanctioned urgently.

Yours' faithfully.

Dear Principal Secretary,

I take this opportunity to say that there is a long pending demand of laying sewer lines in B Block of Gharoli Extension, Rajbir Colony, Delhi. I am also enclosing herewith a representation received from Shri Vinod Sharma, General Secretary, Harijan Basti B-Block, Rajbir Colony, Gharoli Extension, Jan Kalyan Samiti, Delhi requesting for sending layout plan and other required documents which are to be sent by Urban Development to Sewerage Department, Delhi Jal Board. As has been stated by him, the Provisional Regularization Certificate has been issued by the Urban Development Department. The work relating to laying of sewer lanes in the above colony could not be carried out due to non receiving of layout plans and other allied documents in respect of the above said colony. The representation submitted to me is self explanatory.

I shall be grateful if you could kindly look into the matter and ask the concerned authority to take necessary steps for sending the layout plans and other allied documents in respect of the above said colony in order to enable the DJB to layout the sewer lines in the above colony.

With regards,

Yours sincerely,
