Sir,

This is in continuation to our letter No: COII/1239/
611-612 dated 21-4-87 wherein the lay out plan
furnished by your Association were forwarded to Municipal Corporation of
Delhi to ascertain the entitlement of your colony for electrification. In
this connection, we are pleased to intimate you that your area/part area
as existing on 1.1.1981 has been considered eligible for electrification.
Accordingly we are requesting our Executive Engineer (PLG) South to
formulate the required electrification scheme. However, in case establish-

available a plot of adequate size for the purpose free of cost.

In order to process the case expeditiously, you may contact our
Planning Department, which is located at D.E.S.U. Building, Nehru Place.

In order to complete the commercial requirements simultaneously,
you may furnish FOUR lists with details of individual plots falling within
the area certified for electrification, incorporating therein plot size,
name of owner and status of construction, to this office. The plot
number may also be got incorporated in the lay out plan and four copies
of the same may also be furnished. We are also enclosing a preliminary
information proforma which also be completed and submitted in triplicate.

A prompt action desired as above would result in processing your
electrification scheme expeditiously.
