

## राष्ट्रीय राजधानी क्षेत्र, दिल्ली सरकार शहरी विकास विभाग

निवासी संख्या, आर.डी.पी. एन.डी. नं. दिल्ली-110002

### सार्वजनिक सूचना

नगर उच्च न्यायालय के निर्देशानुसार, सी डब्ल्यू पी संख्या 4771/93 एवं उसके आगे के अंतर्गत शहरी विकास विभाग, राष्ट्रीय राजधानी क्षेत्र, दिल्ली सरकार को ऐसी अनधिकृत कालोनियों, जो 1071 की सूची में हैं तथा नियमित करने के लिए विचारणीय हैं, के तें आऊट प्लेनों की प्रतियों (जो रेजीडेंट्स वेल्फेयर एसोसियेशन/डेवलपर्स/ कोलोनाइजर्स अथवा अन्य किसी व्यक्ति द्वारा दिल्ली नगर निगम/नई दिल्ली नगर पालिका/दिल्ली विकास प्राधिकरण को पूर्व में 1993-94 में जमा की गई थीं) की आवश्यकता है।

प्लेन की प्रतियाँ 1:10,000 के परिमाण में, की प्लेनों के साथ, जो विशिष्टि, आस-पास के क्षेत्र तथा भू चिन्हों व सार्वभौम की स्थिति दर्शाते हैं और कालोनी में 31.3.93 को विद्यमान भग्नों सहित, शहरी विकास विभाग, राष्ट्रीय राजधानी क्षेत्र, दिल्ली सरकार, कमरा नं 120, "बी" ब्लॉक, विकास भवन इन्द्रप्रस्थ एस्टेट, नई दिल्ली को 15.11.199 तक जमा की जा सकती है। प्लेन (5 अतिरिक्त प्रतियों सहित) ऐसे जल्द प्रमाण सहित हो कि यह नए प्लेन की प्रतियाँ हैं जो पूर्व में कालोनी निवासियों/विभाग को जमा कराये गये थे। प्लेनों की प्रतियाँ ऐसी रेजीडेंट्स वेल्फेयर एसोसियेशन व डेवलपर्स/कोलोनाइजर्स अथवा/या एंजीकृत संयोजकों द्वारा पूर्ण रूप से संतुष्टि हो।

अनधिकृत कालोनियों की सूची जिनकी फाइलें/लेआउट प्लान दि.वि.प्र./दि.न.नि. से प्राप्त नहीं हुए

| क्र. सं. | 1071 की सूची में क्र.सं. | नाम                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | क्र. सं. | 1071 की सूची में क्र.सं. | नाम                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | 74.      | 132                      | दीप कालोनी, बबाना                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | 75.      | 135                      | डिफेंस एक्स्टेंड फेज-I, II, III, IV                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | 76.      | 137                      | देवली एक्स, खानपुर रोड                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | 77.      | 138                      | डेसू कालोनी                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | 78.      | 140                      | देव कुँज (राज नगर-II)                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | 80.      | 143                      | धर्मपुरा बबन पुरी गली नं 1 से 5                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | 81.      | 144                      | धरम पुरा कालोनी                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | 83.      | 155                      | डॉ. अम्बेडकर बस्ती                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | 84.      | 156                      | डॉ. अम्बेडकर कालोनी,                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | 90.      | 170                      | दुर्गा विहार एक्स, देवली                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | 93.      | 175                      | दुर्गापुरी, विजय एक्स्टेंड                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | 99.      | 189                      | गामडी एक्स, सुदामा पुरी                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | 103.     | 194                      | गामडी एक्स, सुदामपुरी                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | 104.     | 196                      | गणेश नगर, पाण्डव नगर **FREEDOM FIGHTER CULTURAL CENTRE**

B-15, F.F. ENCLCAVE, NEB SARAI  
NEW DELHI-10068, Ph. 29536537

**UNDERTAKING**

(as obtained from all members of the association)

On behalf of all members of the association we do hereby undertake to the effect that -

- i) We will abide any/all rules /orders/ instructions, issued/ to be issued by the govt/local authorities in regard to the development of our colony for the welfare of its inhabitants.
- ii) We shall handover to DDA, the plots, if any, earmarked for common services, parks, roads, parking facilities.
- iii) We will abide by the lay out Plan and Service Plan to be approved/ regularized by the concerned authority in respect of our colony.
- iv) We will pay necessary development charges for provision of electricity, water sewerage and drainage and any other charges as may be fixed by the D.D.A or the concerned Local body.
- v) We will pay the processing fees and other related charges to the concerned local body / DDA as notified at appropriate time.

We shall pay the cost of land and penalty, if any, in respect of the atleast 75% of the area of land in the colony or at least 75% if the number of built up plots, whichever is higher at the appropriate time, as notified.

**Sub: Verification of documents of unauthorized colonies for the purpose of regularization.**

Sir,

<sup>Regd.</sup> A preliminary scrutiny of the application submitted by the unauthorized colony and figuring at serial No. 1527 of the list of such unauthorized colony has been made. It has been noted that you have not submitted the following required documents, along with your application:-

**As per check list enclosed.**

You are therefore, requested to kindly get the registration of your resident society done immediately, if not already registered, with the Registrar of Societies GNCT of Delhi. A copy of the certificate along with other deficient documents as pointed out above may please be got ready as the government of NCT of Delhi proposes to hold a camp shortly for rectification of deficiencies in the application forms.

This is in pursuance of the decision to grant a provisional registration certificate. The date and time of the camp would be notified through public advertisement.

Yours faithfully,

  
(J.G. ARORA)  
DY. SECRETARY (UC)
