d) Before passing any directions and making its recommendations, the Committee shall hear representatives of the petitioners. They would be permitted to submit such documents as they deem fit and proper in respect of their respective contentions;

e) The final order passed by the LL Governor, if in favour of the petitioners, would call for no further directions but in the event the order is adverse to the interest of the petitioners, no action in furtherance thereto shall be taken for a period of one month from the date of pronouncement of such order;

f) The final order passed would be communicated through registered AD post or by courier to the parties and counsel appearing for the parties at the addresses which would be given by the petitioners

Following the reasoning and the principle stated by the two
different judgments of Division Bench of this court and as we have no
reason to differ from the view taken in those cases, we issue the
following directions:-

a) The petitioners in these Writ Petitions would have
the right to file representations u/s 48 of the Act for
denotification of their respective lands;

b) They are at liberty to file such representations
within one month from today before the Committee
constituted by the Government for this purpose at
Vikas Bhawan, New Delhi;

c) These representations would be disposed of by
the Committee and then put up before the Lt.
Governor for appropriate orders along with their
recommendations within three months from the
date the representations are filed;

possession of the lands in question and the respondents should be directed to denotify their lands. It is also their contention that under Section 48 of the Land Acquisition Act, right is vested in the petitioners to request the respondents to denotify their lands from the acquisition and divest the land from the acquisition proceedings for all purposes and intents.

In view of the common facts made by the learned counsel appearing for the respective parties, it is not necessary for us to examine in detail the merits or the grounds urged by the parties.

Learned counsel appearing for the respondents have relied upon two judgments of Division Bench of this court in the case of Om Prakash Mahur Vs. UOI, CWP No.2151-C/05 decided on 16.11.2005 and the other judgment in the case of Daya Nand & Others Vs. UOI, 112 (2004) DLT 957 (DB). Learned counsel appearing for the petitioners have stated that without prejudice to their rights and contentions, the order passed by Division Bench of this court in the above cases would be acceptable to them provided there is expeditious disposal of their representations referred to the competent authority in terms of the provisions of Section 48 of the Act.

Notification under Section 4 of the Land Acquisition Act, 1894

hereinafter referred to as 'the Act') was issued by the appropriate

Government acquiring various lands including the lands of these colonies

on 21.3.2003. Declaration under Section 6 of the Act was issued on

on 3.2004 and the award was made on 12th July, 2005 in respect of

Village Bari Khera while the award in relation to land falling in revenue

status of other villages was passed on different dates.

The basic contention raised on behalf of the petitioners is that the

possession of their land has not been taken as yet despite the fact that

the award had been made and as such the acquisition proceedings have

lapsed and/or have been rendered ineffective. It is also their contention

that in furtherance to the policy framed by the Government, in terms of

the order passed by the Division Bench of this court in W.P.(C) No.

4771-1993 and other connected writ petitions dated 27.2.2001, the

colony of the petitioners falls in one of the colonies out of nearly one

thousand colonies which are proposed to be regularized by the

concerned authorities. Because the colonies have been taken up for

regularization, no fruitful purpose would be achieved by acquiring/taking

With the consent of the learned counsel appearing for the parties and also to avoid re-hearing of the similar matters on different dates, we have called for the writ petitions bearing nos.WPC 18548-49/2005 and 18169/2005. These writ petitions have been heard along with other writ petitions listed today. In all the above writ petitions, the petitioners have varied interests in relation to different properties but the essence of the prayer is the same. There is complete similarity which led to filing of the writ petitions. Thus, it would be appropriate to dispose of all the above writ petitions by this common order.

Sub: Request for realignment of proposed 100 mtr. wide Urban Extension Road-II, to save thousands of residents from being homeless and regularization of Bhagya Vihar Jain Colony.

Respected Sir,

With all humility, our Association is taking up this opportunity to bring into your kind notice the plight of thousands of poor residents of aforesaid colony, who are living under constant fear and anxiety, anticipating demolition of their houses in near future. The position is briefly mentioned hereunder for your kind consideration:

1. Bhagya Vihar, Jain Colony is one of the 1432 unauthorized colonies approved for regularization by the Government of India on the recommendations of the Government of NCT of Delhi. Most of the residents of this colony have been living here for more than 20 years and belong to lower strata of this society.
2. The Government of NCT of Delhi issued a provisional regularization certificate to our colony bearing No. F.1-33/UC/UD/2004/Pt.III dated 17/09/2008. The final and formal regularization of the colony is still awaited.
3. Ignoring the fact that it would render thousands of residents thousands of residents homeless, the DDA has proposed construction of a 100 mtr. wide Urban Extension Road-II alignment of which is going to badly affect about 500 houses under the provisionally approved layout plan of the colony. To save thousands of family from loss of their shelter, suggestion was given to the DDA to realign the road partially and detailed realignment plan was also submitted. The DDA, in the meeting of the Board of Enquiry held on 28th August, 2008, appreciated our suggestion and assured that it would be examined further carefully. However, the outcome of our objection / suggestion is still not known.

pass under the existing buildings of the residents which will require demolition of the buildings which were raised by the residents with the savings of their entire life and most of the plots have an area of 25 to 50 sq. yds. Obviously, they belong to the weaker section.

These two urgent problems can be solved only at the highest level with a conscious and agreed consent of the public authority and the residents. The residents of Bhagya Vihar, Jain Colony are ready to go all out to cooperate with the administration to provide civic amenities at the earliest by avoiding dislocation and distraction of their properties.

To avoid human miseries, particularly, the residents of Bhagya Vihar, Jain Colony, I am advised to request you to convene a meeting of the concerned authorities at the highest level and the representatives of Bhagya Vihar, Jain Colony may also be intimated the time and place of the meeting to participate in the discussion for an amicable and acceptable solution of the problems.

I hope the matter will receive you urgent attention as it concerned public interest and policy. This will also save the residents from seeking alternative remedy.

Sub:- Regularisation of Bhagya Vihar, Jain Colony and its development by providing requisite civic services.

Sir,

1. I am to inform you that Bhagya Vihar, Jain Colony is one of the 1432 unauthorised colonies approved for regularisation by the Government of India on the recommendations of Govt. of NCT of Delhi.

The layout plan of the said colony was submitted on 28.12.2004 and the revised layout plan was submitted on 15.12.2007.

2. On the basis of the revised layout plan, the Govt. of NCT of Delhi issued a provisional regularisation certificate bearing No. F.1-33/UC/UD/2004/ Pt.-III dated 17.09.2008 in respect of Bhagya Vihar, Jain Colony which at Si No. 439 of 1432 colonies, the final and formal regularisation certificate has not yet been issued and the residents of Bhagya Vihar, Jain Colony humbly request you to issue the formal regularisation certificate to carry out further environmental improvement and improve the structural stability of the building as per the policy of the Municipal Corporation of Delhi.

3. I may also inform you that before the provisional regularisation certificate was issued, the residents of the colony filed civil writ petition No. 11541/2005 and the a Division Bench of the Hon'ble High Court of Delhi vide order dated 20.03.2006 directed the petitioners to file a representation to the Lt. Governor, Delhi under Section 48 of the LA Act, 1894 for de-notification of the lands from acquisition and till the final decision of the representation, the Govt. of NCT of Delhi was directed to maintain status quo and the court expected that an order should be passed within one month from 20.03.2006.

However, according to the residents of Bhagya Vihar, Jain Colony, the issue of the provisional regularization certificate has finally settled the question of regularization in favour of the residents as per the layout plan submitted in the year 2007. The follow up action that are required to be taken are to decide the total quantum of development charge that the residents are required to pay and provision of all requisite civic services to make the colony environmentally viable as a human habitat. Some of the civic facilities like road, electricity have provided by the Delhi Govt. and storm water drains have also been provided in some pockets of the colony.

4. Unfortunately, DDA without consulting the residents and ignoring the principle of Bhagidari has proposed a 100 mtr. wide urban extension road connecting National Highway No. 10 and the alignment of the road is going to affect about 445 residential houses which are in the provisionally in the approved layout plan of the Colony. To avoid rendering large number of families again shelterless, an alternative alignment of the proposed 100 mtr. wide road was submitted by the residential colony to Sh. B.M. Bansai, Pr. Commissioner-cum-secretary, DDA on 13.08.2008 (copy enclosed).

To caps the miseries and hardships of the residents, Delhi Jal Board is also prosing to lay two parallel underground trunk water lines of 1.5 diameter each and at many places, the water line are likely to
