6. Our colony is fully electrified by DVB in 2001-2002.
 7. Nearly all the residents in this colony have deposited the development charges for water and electricity.
 8. Water supply by DJB is already available in A B blocks but scanty in other blocks. Even then residents are getting regular bills and paying it off.
 9. More than 90% of the residents are installed with electronic meters and paying the bills timely and regularly.
 10. Almost all the main roads and sub lines in this colony have already been metalled many years back.
 11. Street lighting is 100% completed.
 12. Tree plantation is also being carried out by RWA with necessary help from MCD horticultural deptt.

In spite of all these positives we are lacking in some basic amenities.

13. We have no school, no parking spaces, no community hall, no garbage disposal arrangement and no mother dairy milk and vegetable booths.

We have given a clear picture of our colony. This time different blocks of our colony has come under one RWA i.e. Sainik Nagar Vikas Association. Hope the necessary enclosures will satisfy your needs and hence enable us to live a more happy and peaceful life under your esteemed guidance.

Thanking you sir

Yours faithfully

Subject: Correction in area measure of Bloc E, Sanik Nagar
New Delhi-110 059 (Regn No. 632/1409)

R Sir,

It is submitted that the area under Bloc E of our colony is Three Bighas and Fourteen Biswas whereas it has been shown less than actual.

The matter was taken up with the DC Patel Nagar. We were given to understand that the matter be taken up with the Urban Development Department (U.C.) and that your office is the proper authority to initiate the matter and issue an order.

So, it is requested that the area under E Bloc of our colony be surveyed again and actual and correct position be reflected in records.

Thanking you,

Yours faithfully
