Sub: Regarding Tube wells for drinking water in C-Block, Sangam Vihar, New Delhi-62.

Sir,

We want to draw your kind attention towards the facts mention below:

- ❖ C-Block has two parts i.e. C-1 & C-2 (called C-Block).
- ❖ From ID No 1211 dated 23/05/07, the answer of which, vide No. DJB/EE(S)-I/2007/-3146 of 11/6/07, copy of which is attached for your ready reference, clearly shows that in the year 2006-07, out of five tube wells bored by D.J.B. in C-Block, Sangam Vihar, four tube wells were bored for about 500 houses in part C-1 of C Block and in remaining C-2 of C Block for about 1500 houses, only one Tube well was bored at C-599, Sangam Vihar. This disparity in boring Tube -wells is not as per requirements / necessity of the residence, but it is due to some adjustments of your field staff or due to some political pressure.

The boring of the tube wells should be justified and there should be some criteria for that because huge amount of Govt. Money/ Public money/ Funds are involved in boring the Tube Wells. This act of DJB is clearly misuse of Public Fund and proper action should be taken in this regards. Due to this act-of disparity, the needy poor people are being deprived of the facilities.

So we demand four number of Tube Wells in C-2 (called C-block), Sangam Vihar for about 1500 houses at or near C-899A, C-1099, C-1126 & C-430.

We also demand that there should be clearly mentioned in the order that these number of Tube-Wells should be bored in the Block -C i.e. C-2 with the consent of R.W.A.

Thanking you

Yours faithfully,

Gian Singh

and sold it to a third party, government cannot retrieve its land. Sanity has to be restored in the insanity which is prevalent in Delhi and to a large extent is the result of active as well as passive connivance of the government officials and to some extent the government itself.

20. Material on record in the writ petition is insufficient for this court to take a final and a conclusive decision for the reason it is not clear as to whether the vacant plots entered in the survey report are on government land or are on private land. If they are on government land, government must protect its land and must ensure that no further construction takes place on government land. If the plots are on private land, government must take a final decision whether or not to regularize Sangam Vihar and in particular C-Block, Sangam Vihar. While taking the said decision, Government must decide the fate of unbuilt land.

21. Directions issued by the Division Bench of this Court in the writ petition filed by Common Cause continue to operate. In other words, till the government decides on the regularization of unauthorized colonies, no further construction can be permitted in any unauthorized colony.

22. The writ petition is accordingly disposed of with the following directions:-

impleadment in the writ petition. These individuals pray that as the members of the petitioner association purchased illegally colonized land, so have they. It is stated in the application that the persons who have purchased plots in C-Block, Sangam Vihar have an equal right to construct upon the same. It is stated that merely because a few manage to construct their houses prior on a point of time would give them no right to assert that their lesser brethren should fend for themselves elsewhere.

18. The problem is purely of an administrative nature and the government has to take a final decision in the matter. The problem has been compounded by the unfortunate decision of the government as per which colonies where more than 50% of the plots have been constructed upon, have been held to be entitled regularization, subject to qualifying norms being met. In other words, if there are say, 20% to 30% unbuilt plots, policy of regularization recognizes the entitlement of these plots to be considered for regularization. In this scenario, none could assert that the vacant plots have to be used for providing amenities and service. It is for the government to decide.

19. But this would not mean that the government has to close its eyes and continue to permit trespass upon government land. This would not mean that where somebody has carved out a plot on government land

It is unfortunate situation which is coming up in a number of cases where the public authority cannot decide as to in whose jurisdiction the land is situated. Immediate measures must take place inter se the authority to ensure that the public land is not encroached upon where such occupants do not know in whose jurisdiction the land is situated.

In view thereof I consider it appropriate to direct the Vice Chairman, DDA to look into the matter in consultation with the Commissioner of MCD and decide as to in whose jurisdiction the land vests. Needful be done within four weeks from today.

On the aforesaid decision being taken, the concerned authorities in whose jurisdiction the land is situated should take all steps necessary for protection of the land in question forthwith.

The writ petition stand disposed of in the aforesaid terms.'

16. Grievance of the petitioner is that the respondents are ignoring the mandamus issued by this Court on 5.8.2002 in CW No.4072/2002. They alleged that unscrupulous persons are continuing to construct on the plots detailed in the survey report and in spite of various communications addressed by the petitioner to the revenue authorities, DDA and MCD, no action is being taken and as a result of thereof, no land would be available for providing basic amenities as and when and if Sangam Vihar is regularized.

17. Applications have been filed by various individuals for

13. Pursuant to the directions issued by the learned Single Judge extensive survey was carried out in the area. Survey report revealed that 93 plots were lying vacant. After the survey was completed, it was noted that another plot ad-measuring 600 square yards near plot no.C-585, Sangam Vihar was also lying vacant. In other words, 94 parcels of land were identified as vacant and not built upon.

14. The list of the said 94 plots is as per the survey report at pages 54-57 of the present writ record, as also page 58.

15. CW 4072/2002 was disposed of vide order dated 5.8.2002.

The order reads as under :-

'Rule:-

With the consent of the learned counsel for the parties, the petition is taken for final disposal.

This writ petition has been filed by the petitioner seeking to protect the vacant land belonging to the public in Sangam Vihar, New Delhi from unauthorized construction.

In an earlier writ petition bearing no.2716/1998 respondent no.3 corporation had taken the stand that land in question did not fall within the jurisdiction of MCD. This was so stated on the basis since the colony was stated to be in development area and thus the jurisdiction vested with the DDA, respondent no.4.

Learned counsel for the respondent no.4 states that in the court that the land is not within the jurisdiction of the DDA.

continuing to carve out the plots and selling the same to the lesser brethren of the residents. A writ petition being CW No.4072/2002 was filed by the residents of C-Block, Sangam Vihar. In the said writ petition, directions were issued by this Court from time to time. On 24.2.2003 following order was passed in CW No.4072/2002.

'This is an application filed by the petitioner for the direction to the respondent no.3 and 4 for compliance of order dated 5.8.2002 in view of the fact that it is alleged that no action has been taken in pursuance thereof.

Learned counsel for respondent no.3 Corporation has filed in Court an affidavit annexing the copies of the minutes of the meeting held on 15.12.2002 between the representatives of the MCD and the DDA. In terms of the minutes of the meeting the open space was to remain open for the provision of community facilities and the members of the residents association was to prevent any encroachment. It has further been stated that since the land is with the Residents Association MCD is not responsible for protecting the vacant land but in case it is made available for community facilities then MCD will take necessary action. The minutes also resolved that the DDA will take action against the unauthorized construction/encroachment to be raised on these plots.

In view thereof, it is the DDA which is to take necessary action.

Mr.Anil Sapra Advocate who is present in Court is informed of the order and DDA would take necessary action in this behalf within a period of four weeks from today.

Application stands disposed of.'

government. This is being reflected in the government not taking a final decision as to how much development charges should be taken while granting ex post facto recognition to the unauthorized colonies which have come about in the Union Territory of Delhi.

11. It is for the government to find a solution, but the government must realize that closing the eyes to the problem is not only deteriorating the quality of civic life in Delhi, but is choking the Courts with a kind of litigation which strictly speaking is not to be found in any legal system of a State which professes to conduct its affairs as per procedure established by law. Pure and simple administrative problems are being brought before the Court. The Court is being called upon to exercise jurisdiction under Article 226 of the Constitution of India to regulate the civic life of the residents of the Union Territory of Delhi.

12. Reverting back to the specifics of the problem at Sangam Vihar, those who purchased plots at a prior point of time from the unauthorized colonisers have set up their houses. As noted above, these persons wanted more towards civic amenities. They found that agricultural land, partly belonging to private individuals and partly belonging to the government around and within the colony was unutilized. They found that unscrupulous element i.e., unscrupulous colonizers were

would consider all unauthorized colonies which have come up prior to 1.4.2002.

7. Since the unauthorized colonies which have come up do not have the requisite approval from the government and the person(s) who have unauthorizedly carved out plots, being guided by profit motive, have hardly left any open space in the unauthorized colonies.

8. Having constructed houses on the parcels of land carved out as plots in the unauthorized colonies, residents demand more.

9. Residents of C-Block, Sangam Vihar also wanted more. They wanted all facilities which are provided in authorized colonies. They wanted dispensaries so that health care services could be provided. They wanted schools where their children could study. They wanted bus stops. They wanted extension of public transport in their colony. They wanted setting up of electricity sub-stations so that electricity could be better distributed in the unauthorized colony. They wanted construction of water tanks and augmentation of water resources in the unauthorized colony. They wanted sewer lines in the unauthorized colony. They wanted sewage pumping stations to be set up.

10. So far so good, but unfortunately, when it comes to paying for development, no resident is coming forward to make payment to the

payer citizen of Delhi was that the Government was compelled to formulate policy guidelines as per which the unauthorized colonies were entitled to be considered for regularization.

5. When the writ petition aforesaid filed by Common Cause was being heard, it was pointed out to this Court that further unauthorized and illegal colonization was on. The Division Bench of this Court hearing the writ petition filed by Common Cause passed an interim order on 3.11.1997 directing that henceforth no further construction would be carried out in any unauthorized colony and no further land would be carved out for purposes of colonization. The local authorities in charge of the land and building activities in Delhi as also the police authorities were made personally liable to ensure that the directions issued by the Division Bench are complied with. While disposing of C.W. 4771/1993 It was directed that till government takes a final decision on regularization interim orders passed would continue to be in force.

6. Unfortunately, even these directions were not obeyed by the executive for the reason further colonies came up. The list of unauthorized colonies which were 1071 as of the year 1993 rose to over 1400. Final policy guidelines notified by the government for regularization of unauthorized colonies stipulates that the government

find is sangam of private land and government land of which unscrupulous colonizers with sangam of corrupt officials have gone about carving out plots and selling the same to gullible buyers. In the present petition, I am concerned with a block called C-Block in Sangam Vihar.

3. Apart from Sangam Vihar, about 1400 unauthorized colonies came up on agricultural land in Delhi. Rather than enforce the law, the government, probably for political considerations, chose to look the other way. Not only did the government close its eyes to the blatant violation of law but proceeded to grant *ex post facto* sanction to what had happened. A committee was constituted to consider regularization of all unauthorized colonies in Delhi. Ignoring the norms of town and country planning, across the board decision was taken to regularize the unauthorized colonies without stipulating any parameters,

4. A social organization called Common Cause filed a writ petition in this Court in the year 1993. The writ petition was registered as CW No 4771/1993 Common Cause Vs. Union of India. This Court took upon the responsibility of ensuring that the honest tax payer citizen of Delhi gets the minimum benefit of good quality of air and water. It was a desperate attempt to salvage the bare minimum. It was a losing battle which was fought. The only relief which ensued to the benefit of the tax

Dr. Gyan Singh, Secretary of the Petitioner states that his counsel is busy in the Supreme Court. By means of this application it sought to be brought to the notice of this Court that the Block Development Officer (South) shall ensure that no portion of vacant land which vests with the Gaon Sabha shall be misused or encroached upon and that this Officer shall be responsible for this task. It has also been pleaded that the MCD has been given the responsibility of removing unauthorised construction in the area as per the building bye-laws, since the area is not in development area. It is not denied that the DDA has no further role to play in this area. The application is allowed and the Orders dated 24.2.2003 shall stand modified to the above extent.

No further Orders are called for.

D.O. No. E-12(422)2002/HC/Legal/11
November 28, 2003

Dear Rakesh

Your attention is invited to Hon'ble High Court order dated 24.2.2003 (copy enclosed) passed in CM No. 2360/2003 of CWP No. 4072/2002 which directed that vacant land be protected and made available for community facilities and action be taken against unauthorized construction/encroachment on various plots in C-Block, Sangam Vihar.

Although, these directions were passed against the DDA it was later realized that this area did not fall under the jurisdiction of DDA. A meeting was, therefore, convened in my chamber on 22.8.2003 to identify the jurisdiction of DDA, MCD and Revenue Department of GNCTD in respect of these plots. It was resolved/agreed by the officers present in the meeting that land belonging to Gaon Sabha in Sangam Vihar, C-Block (Devli Village) should be protected by BDO (South Distt.). It was also agreed by MCD that action will be taken against unauthorized construction as per building bye-laws of MCD in this area as it was confirmed by the officers of DDA as well as MCD that C-Block, Sangam Vihar area is not a development area as defined in Section-12 of Delhi Development Act, 1957. Accordingly, we made a request vide letter (copy enclosed) dated 9.10.2003 for filing affidavits before Hon'ble High Court clarifying the respective jurisdictions in this land under reference as agreed in this meeting on 22.8.2003. DDA has already filed an application on the same basis under Section 151 of CPC (copy enclosed). The case was listed before Hon'ble High Court on 17.11.2003 when the Court adjourned the case for 19.1.2004, with the observation that if any modification of the order dated 24.2.2003 is being sought, all the authorities concerned should file separate affidavits/application to present their stand and role with respect to the land in question.

It would be appropriate, therefore, for separate affidavits of the concerned authorities i.e. MCD and Gaon Sabha/BDO be filed defining their respective jurisdictions in respect of these lands in C-Block, Sangam Vihar, for complying with the directions passed by the Hon'ble High Court. You are requested to file an affidavit and compliance report relating to the order of Hon'ble High Court on behalf of your Department well before the next date of hearing (19.1.2004) to avoid adverse comments/order in this regard.

With regards,

Yours sincerely,

Encl. As above.

Shri Rakesh Mehta,
Commissioner, MCD,

DEPONENT

VERIFICATION :

Verified at New Delhi on this ____ day of January, 2004 that the contents of the above affidavit are true and correct to my knowledge; no part of it is false and nothing material has been concealed therefrom.

3. That a joint inspection was carried out by the officers of the various Department and it was observed that C-Block, Sangam Vihar, New Delhi has been developed on private land. It was also observed that 95% of the area was heavily built-up & only 5% land was lying vacant in the shape of small plots. C-Block, Sangam Vihar is situated on land belonging to revenue estate of village Devli. The details of land belonging to Gaon Sabha Devli in this area as reflected in the revenue records and its present status is enclosed and is marked as **ANNEXURE-R-1**.

4. In the meeting held in the chamber of Vice Chairman, DDA on 22.8.2003, it was decided that the vacant plots belonging to Gaon Sabha will be protected by the Block Development Officer (South) under the provisions of Delhi Land Reforms Act. Against the unauthorized constructions on private land, action would be taken by the MCD authorities as per the building bye-laws. It was further decided in the meeting that Block Development Officer (South) will take steps to protect Gaon Sabha land and remove encroachments from Gaon Sabha land. In case where no action could be taken by the Block Development Officer (South) on account of the same having become time barred under the provisions of the Delhi Land Reforms Act, action would be taken by Respondent No.3 -MCD under the provisions of Delhi Municipal Corporation Act, and the building byelaws for removing the unauthorized encroachments. A copy of the said minutes of the meeting dated 22.8.2003 are enclosed herewith and are marked as

ANNEXURE R-2

2. That Hon'ble High Court in its Order dated 24.2.2004 passed in CM No.2360/2003 of CWP No.4072/2002 directed that vacant land in C-Block, Sangam Vihar be protected and made available for community facilities and action be taken against unauthorized construction/encroachment on various plots in C-Block, Sangam Vihar. Although, these directions were passed against the DDA, it was later realized that this area did not fall under the jurisdiction of DDA. A meeting was, therefore, convened in the chamber of Vice Chairman, DDA on 22.8.2003 to identify the jurisdiction of DDA, MCD and Revenue Department of Government of NCT of Delhi in respect of these plots. It was resolved/agreed by the officers present in the meeting that land belonging to Gaon Sabha in Sangam Vihar, C-Block (Devli Village) should be protected by Block Development Officer (South District). It was also agreed by MCD that action will be taken against unauthorized construction as per building bye-laws of MCD in this area as it was confirmed by the officers of DDA as well as MCD that C-Block, Sangam Vihar area is not a development area as defined in Section 12 of Delhi Development Act, 1957. Accordingly DDA made request vide letter dated 9.10.2003 for filing affidavits before Hon'ble High Court clarifying the respective jurisdictions in this land under reference as agreed in this meeting on 22.8.2003. DDA has already filed an application on the same basis under Section 151 of CPC. The case was listed before Hon'ble High Court on 17.11.2003 when the Court adjourned the case for 19.1.2004, with the observation that if any modification of the order dated 24.2.2003 is being sought, all the authorities concerned should file separate affidavit/application to present their stand and role with respect to the land in question.

This writ petition has been filed by the petitioner seeking to protect the vacant land belonging to the public in Sangam Vihar New Delhi from unauthorised construction.

In an earlier writ petition bearing No. 2716/00 respondent No.3 Corporation had taken the stand that the land in question did not fall within the jurisdiction of MCD. This was so stated on the basis since the colony was stated to be in development area and thus the jurisdiction vested with the DDA, respondent No.4.

Learned counsel for respondent No.4 states in the Court that the land is not within the jurisdiction of the DDA.

DEPONENT

VERIFICATION :

Verified at New Delhi on this ____ day of January, 2004 that the contents of the above affidavit are true and correct to my knowledge; no part of it is false and nothing material has been concealed therefrom.

3. That a joint inspection was carried out by the officers of the various Department and it was observed that C-Block, Sangam Vihar, New Delhi has been developed on private land. It was also observed that 95% of the area was heavily built-up & only 5% land was lying vacant in the shape of small plots. C-Block, Sangam Vihar is situated on land belonging to revenue estate of village Devli. The details of land belonging to Gaon Sabha Devli in this area as reflected in the revenue records and its present status is enclosed and is marked as **ANNEXURE-R-1**.

4. In the meeting held in the chamber of Vice Chairman, DDA on 22.8.2003, it was decided that the vacant plots belonging to Gaon Sabha will be protected by the Block Development Officer (South) under the provisions of Delhi Land Reforms Act. Against the unauthorized constructions on private land, action would be taken by the MCD authorities as per the building bye-laws. It was further decided in the meeting that Block Development Officer (South) will take steps to protect Gaon Sabha land and remove encroachments from Gaon Sabha land. In case where no action could be taken by the Block Development Officer (South) on account of the same having become time barred under the provisions of the Delhi Land Reforms Act, action would be taken by Respondent No.3 -MCD under the provisions of Delhi Municipal Corporation Act, and the building byelaws for removing the unauthorized encroachments. A copy of the said minutes of the meeting dated 22.8.2003 are enclosed herewith and are marked as **ANNEXURE R-2**

2. That Hon'ble High Court in its Order dated 24.2.2004 passed in CM No.2360/2003 of CWP No.4072/2002 directed that vacant land in C-Block, Sangam Vihar be protected and made available for community facilities and action be taken against unauthorized construction/encroachment on various plots in C-Block, Sangam Vihar. Although, these directions were passed against the DDA, it was later realized that this area did not fall under the jurisdiction of DDA. A meeting was, therefore, convened in the chamber of Vice Chairman, DDA on 22.8.2003 to identify the jurisdiction of DDA, MCD and Revenue Department of Government of NCT of Delhi in respect of these plots. It was resolved/agreed by the officers present in the meeting that land belonging to Gaon Sabha in Sangam Vihar, C-Block (Devli Village) should be protected by Block Development Officer (South District). It was also agreed by MCD that action will be taken against unauthorized construction as per building bye-laws of MCD in this area as it was confirmed by the officers of DDA as well as MCD that C-Block, Sangam Vihar area is not a development area as defined in Section 12 of Delhi Development Act, 1957. Accordingly DDA made request vide letter dated 9.10.2003 for filing affidavits before Hon'ble High Court clarifying the respective jurisdictions in this land under reference as agreed in this meeting on 22.8.2003. DDA has already filed an application on the same basis under Section 151 of CPC. The case was listed before Hon'ble High Court on 17.11.2003 when the Court adjourned the case for 19.1.2004, with the observation that if any modification of the order dated 24.2.2003 is being sought, all the authorities concerned should file separate affidavit/application to present their stand and role with respect to the land in question.
