Reg: Issue of No Objection Certificate in respect of regularization of Vijay Park
(Maujpur) Delhi-110053.- Request for

Sir,

In terms of the notification emanated in the Times of India dated 4th November, 2007 seeking applications from the Residents' Welfare Associations for regularization of their unauthorized colonies in Delhi.

In this connection, it may be pertinent to mention here that since immense confusion is prevailed in the minds of the residents of this colony regarding the status of this colony whether it is regularized or otherwise, it is deemed necessary to clear the confusion and apply for regularization of this colony, if unauthorized in response to the aforesaid advertisement.

It is, therefore, requested to kindly issue 'No Objection Certificate' to this Association at the earliest as a pre-requisite document required in the aforesaid Notification while applying for regularization of the unauthorized colony. The last date of submission of application is 31st December, 2007 and as such the above document may please be issued urgently to facilitate us to carry out the necessary exercise to this effect in the larger interest of the people.

Thanking you,

Yours faithfully,

(SUNIL JAIN)

General Secretary

M.No. 9968311602

colony has been put in 'F' category by the House Tax Department of MCD and the people of this area are invariably paying necessary development/house tax charges whatsoever to them from time to time.

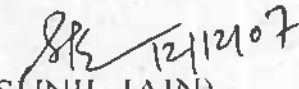

It may not be out of place to mention here that we are not aware of the present status of the colony in terms of regularization or unregularized one and therefore, immense confusion to this effect prevails in the minds of the People here. However, it is presumed that when the sewer/water lines have been led down in this colony by the government agencies, it must be regularized because of the fact that these works are only carried out if the colony is regularized.

It is also added here that since we are not aware of the present status of this colony, we have earlier deposited the Map of the left out area of this colony with respect to St. No. 8-A of Vijay Park only in the year 2004 instead of the entire area as discussed above.

In view of the foregoing submissions, it is requested that the status of this colony i.e. 'regularized' or 'unregularized' may please be intimated to this Association and in case it is not regularized, then this colony i.e. **Vijay Park (from St. No. 7 to 28) (Shahdara North)** may please be considered for regularization in terms of the aforesaid notification along with other colonies and the necessary formalities would be completed as and when desired. However, we are already in the process of carrying out the required formalities to this effect as it entails voluminous technical work and may take some time in this regard.

I shall be grateful if the needful is done at the earliest in the aforesaid matter please.

Yours faithfully,

(SUNIL JAIN)

Sub: Regularisation of unauthorized colony of Vijay Park (Maujpur) Delhi-110 053 (Shahdara North Zone) in terms of Notification published in the Times of India dated 4th Nov., 2007

Respected Sir,

I wish to draw your kind attention to the aforesaid Notification appeared in the leading Newspapers inviting therein applications from the Residents' Welfare Associations of Delhi for regularization of their colonies (if unauthorized).

In this connection, it may be stated that according to the Map which relates to the period way back of 1981 (i.e. 26 years old) provided by the DDA under the RTI Act to this Association, the major portion of Vijay Park (Vijay Colony) has been left out for regularization. In this context, it is mentioned here that now the colony has been fully developed and all the plots in this colony have been built up completely. The Vijay Park consists of 28 streets out of which six streets have been shown as regularized in the aforesaid Map and the rest have been left out at that time. This colony is a thickly populated area.

Now the present status of colony is that sewer lines and water lines have already been led down long back i.e. six years and about 15 years respectively by the concerned government agencies in this colony for the residents. Besides these, electricity and other civic amenities have also been provided by the government agencies and the maintenance is being done from time to time by them. This

To

The Lt. Governor,
Delhi.

Subject: Unauthorised colonies in Delhi-Approval of.

Sir,

Government had appointed a Committee on 26th August, 1974 to make a case by case study in respect of all unauthorised colonies which have come up in Delhi from time to time in particular before 15th June' 1972 with a view that the Govt. could take decision in regard to the future of such colonies. The Committee submitted its report on 26th February, 1975.

2. The report of the Committee has been examined by Govt. and it has now been decided that various unauthorised colonies, which have come up in Delhi including those around villages outside the "Lal Dora" as also the unauthorised extension of approved colonies, from time to time will be regularised on the terms and conditions set out below:-

- i) Both residential and commercial structures will be regularised.
- ii) Structures will be regularised after fitting them in a layout plan and after keeping clear space for roads and other community facilities. To the extent land is already available for roads and other community facilities in the immediate vicinity or neighbourhood such land should be utilized for these purpose.
- iii) Development charges as determined by D.D.A./M.C.D. will be payable by the owners of the properties in such manner as may be laid down by these bodies.
- iv) The families which are displaced in the process of providing space for roads and other community facilities will be rehabilitated in the following manner:-
 - a) Owners of the houses, who or any of those family members do not own a plot/house in Delhi will be provided alternate land/flat.
 - b) The tenants will be allotted alternate accommodation provided they, or any of their dependant members of family do not own a house/plot in Delhi.

- v) In the process of regularisation, wherever necessary, change of land use will be considered with reference to the provisions of the Master Plan/Zonal Plans.
- vi) Colonies which have been notified for acquisition will also be considered for regularisation and wherever necessary other consequential steps will be taken.
- vii) D.D.A./M.C.D. will take up the work of the completing the case by case study of all the colonies, which could not be done earlier, on a top priority basis.
- viii) A High level Implementation Body will be set up to watch the progress of regularisation and Development of unauthorised colonies in accordance with the policy laid down by Government. The D.D.A. and M.C.D. will be the implementing authorities.
- ix) The vic civic services which will be provided in future in the colonies to be thus regularised, as also those which may already exist in these colonies, will be maintained by M.C.D.
- x) The M.C.D. will take immediate steps especially to provide water and electric connections in all the unauthorised colonies. Those who had already deposited the money would be given preference.

Constructionssalready done in areas earmarked for roads and other community facilities in the colonies which had been regularised earlier, will also be regularised provided land for such facilities is available in the immediate vicinity or neighbourhood. Otherwise, they will be given alternative sites/flats.

When deciding upon their regularisation of unauthorised colonies in the manner indicated above, it is also to be emphasised that government will not countenance any activity or action on the part of any individual or body to put up fresh structures whether in the existing unauthorised colonies or in any other areas within or outside the urbanisable limits of Delhi. APPENDIX 'Q' TO ITEM No. 106-

D.O. No. J-13036/8/82/DDIIB
Government of India
Ministry of Works & Housing.

New Delhi.
3rd July, 1982.

M. Srinivasan,
Joint Secretary.

Dear Shri Khurana,

Subject: Unauthorised colonies in Delhi-approval of.

.....
As you are aware a committee of officials from the Ministry of Works & Housing, the DDA and the MCD headed by me is going into certain aspects of the regularisation of unauthorised colonies existing on Government land and to recommend the policy that may be followed in the matter. The Committee will take some time to submit its recommendations. Meanwhile, from the materials furnished by the DDA and the MCD in course of discussions in the committee, it appears in view of the substantial amount of construction that has taken place that the need for the provision of basic civic amenities in some of the colonies standing on government land has become urgent. I am therefore desirous to lay in supersession of the instructions contained in paragraph 1 of Shri M.K. Mukharji's D.O. letter No. J.13016(14)/77-DDIIB dated the 8th September, 1980 addressed to your predecessor that the work of regularisation and provision of minimum basic facilities may be taken up by the DDA/MCD in such colonies in terms of the instructions contained on the above subject in this Ministry's letter No. J-13037/113/74-DDI/DDIIB, dated the 16th February, 1977. As mentioned in paragraph 2 of the letter the instruction would apply to unauthorised colonies which have come up in Delhi including those around villages outside the 'Lal Dora' etc.

2. For the present these instructions would apply only to the colonies included in the list of 612 identified by the DDA/MCD for the purpose of regularisation.

This issues with the approval of the Minister of Works & Housing.

With regards,

Yours sincerely,

Sd/-

was sought by the undersigned. In reply thereto, the undersigned received a copy of the Map along with the copy of the Resolution.

On going through the said documents (copy enclosed for ready reference), it reveals that the said Map relates to the period way back of 1981 (i.e. 26 years old) provided by the DDA under the RTI Act and the major portion of this colony has been shown plain. In this map, St.No. 1 to 6 of Vijay Park (Vijay Colony) has been shown as regularized. It is not understood as to what circumstances led to the Government to ignore the rest portion of this colony at that time. Thereafter, a letter dated 12.12.2007 to your good self, Commissioner, MCD, Chief Secretary, GNCTD was shot off which is self explanatory highlighting certain ground facts/reality about the existence of this colony and requested to clarify the position about the status of this colony (copy enclosed) but no reply till writing this letter, has been received by us. A letter to Dy. Commissioner, MCD Shahdara North was also sent for issuance of NOC to this effect on 17.12.2007 (copy enclosed) but no action here also has been taken by him.

In this context, it is mentioned here that now the colony is fully developed for the last more than 20 years and all the plots in this colony have been built up completely. The Vijay Park consists of 28 streets out of which six streets have been shown as regularized in the aforesaid Map received under the RTI Act from the DDA and the rest have been left out at that time. This colony is a thickly populated area and has more than 1400 houses.

Now the present status of colony is that sewer lines and water lines have already been led down long back i.e. six years and about 15 years respectively by the concerned government agencies in this colony for the residents. Besides these, electricity and other civic amenities have also been provided by the government agencies after depositing all the required development charges and house tax with the concerned departments by the people of this colony and the maintenance is also being done from time to time by them. This colony has been put in 'F' category by the House Tax Department of MCD and the people of this area are invariably paying necessary development/house tax charges whatsoever to them from time to time.

Last but not the least, we are submitting herewith the following documents in pursuance to the instant Notification appeared in the leading Newspapers for consideration of the left out Pocket i.e. St. No. 8A and the portion of near Shiv Sadhna Mandir of Vijay Park for regularization and also

Thereafter, certain suspicions were prevailing in the minds of the residents of this colony regarding the status of this colony whether it is regularized or otherwise.
