It is to inform you that land measuring 10 Bigha 13 biswa is required for DDA market out of the total land measuring 77 bigha 8 bis. Rest of the land is heavily built up, thus, cannot be utilised by DDA.

You are also advised to take up the matter of denotification with Secretary, Land & Bldg. However, DDA will also give its opinion regarding denotification in Denotification Committee as and when takes place.

DIRECTOR (LM) HO.

It is pertinent to mention here that out of total land relating to village Basai Dara Pur notified for acquisition vide general notification in the year 1959 an ex-parte award for 77 bighas and 8 biswas was made in the year 1997. That in the said award it is clearly stated that, as the whole area is fully built up, the possession of the awarded land can not be taken. That this fact has been further confirmed by letters of Directors (LM) DDA And SDM Patel Nagar dated 30.9.99 and 18.2.2000 respectively (Copy enclosed).

It is worthwhile to mention here again that villagers/habitants have never taken any compensation in respect of the awarded land till date.

That out of 77 bighas and 8 biswas demolition proceedings were carried out by DDA in the year 2002. That as claimed by DDA possession of 58 bighas Appx, was taken only on paper. That this claim of DDA is completely false and incorrect. The fact is that the physical possession of the said land is with the habitant/owners till date.

That it is also pertinent to mention hereby that out of 77 bighas and 8 biswa some other RWA of village Basai Dara Pur, has also applied for regularization for their Respective land measuring about 10 Bighas separately which falls under the same Khasra No.i.e. 732, 733, 734 of extended village abadi.

That a bifurcation of the total land measuring 77 bighas 8 biswas is as follows for you kind perusal:-

58.8 bighas – land pertaining to habitants/owners of extended abadi including roads, passages and Dharamshala.

10.0 bighas – land pertaining to area for which regularization applied separately by another RWA.

9.0 bighas - Jhuggies, mandir and other built ups.

77.8 bighas

Total area

Please find enclosed herewith the requisite affidavits of the 234 habitants/ villagers along with the site map.

In the light of the above said facts and consideraing the ground realities of the extended abadi in the village, it is requested that the extended abadi of Village Basai Dara Pur in khasra No. 732, 733 & 734 may please be regularized at the earliest possible.

Thanking you
